

DECLARATION, POWER OF ATTORNEY AND PETITION

We, Brian A. Bullock and Steven A. Black, declare: that we are citizens of the United States of America; that our residence and post office addresses are 666 West Ivy Drive, Midvale, Utah 84047, and 5595 South Fair Haven Circle, Murray, Utah 84123, respectively; that we verily believe we are the original, first, and co-inventors of the subject matter of the invention or discovery entitled ELECTRICAL, THIN FILM TERMINATION, for which a patent is sought and which is described and claimed in the specification attached hereto; that we have reviewed and understand the contents of the above-identified specification, including the claims; and that we acknowledge the duty to disclose all information known to us to be material to patentability as defined in Section 1.56 of Title 37 of the Code of Federal Regulations.

We claim the benefit under Section 120 of Title 35 of the United States Code of the earlier filed pending nonprovisional application Serial No. 09/738,724, filed December 15, 2000 and entitled DURABLE, NON-REACTIVE, RESISTIVE-FILM HEATER; and, insofar as the subject matter of the claims of this application are not disclosed in the earlier filed pending application in the manner provided by the first paragraph of Section 112 of Title 35 of the United States Code, We acknowledge the duty to disclose to the Patent and Trademark Office all information known to us to be material to patentability as defined in Section 1.56 of Title 37 of the Code of Federal Regulations, which became available between the filing date of the earlier filed application and the filing date of this application.

We declare further that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.

We hereby appoint as our attorneys A. John Pate, Gary D.E. Pierce and Hal D. Baird, Registration Nos. 36,234, 38,019 and 42,284, respectively, with full power of substitution and revocation, to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith.

All correspondence and telephonic communications should be directed to:
